

# Safety measures for the resumption of Face to Face Services

The safety of our Team and of our Clients is of paramount importance to us at all times.

In line with HSE guidelines the following measures have been implemented to reduce the risk of the spread of Covid-19:

- Sanitising station available on entering the building.
- Reduced number of appointments to allow for cleaning and sanitising of spaces between appointments.
- PPE and sanitising station outside of counselling room.
- Rooms set up to allow 2 metres distance between staff and client.
- Rooms which do not allow for 2 metres to have Perspex screens in place.
- If either the client or staff member is feeling unwell or displaying any symptoms appointments must be postponed to a later date.

## Coronavirus COVID-19

### How to Prevent

#### Wash

your hands well and often to avoid contamination

#### Cover

your mouth/nose with a tissue or sleeve when coughing or sneezing & discard used tissue

#### Avoid

touching eyes, nose, or mouth with unwashed hands

#### Clean

and disinfect frequently touched objects and surfaces
